Mr. and Mrs. Patrick Glynn, of Foster street, are parents of one of the smallest sons ever born in this city. Joseph Patrick Albert Glynn is the boy's name. He became a resident of Montpelier last Saturday evening and at the time of his birth weighed less than two and a quarter pounds. He is a healthy looking youngster and knows how to cry.

John Travers, who was injured while "entering" his engine at Wells River Tuesday morning, is better. His physician made a thorough examination after his arrival at the hospital Tuesday morning and could find no bones broken but found he had received a bad strain, in the back, although the rupture which was feared did not develop. His injuries will keep him from work for several days at least.

An order was received by the local officials of the Central Vermont railroad company on Tuesday for the handling of the Boston milk car on the morning train. The order went into effect yesterday. The car is brought to this city from White River Junction on train No. 9 and is taken back there on train 8 for the Boston and Maine connection to Boston where it arrives in the afternoon. This car has been handled to Northfield for some time, but the change is made to save time in transfer.

## ADJUST YOUR SYSTEM!

If you lack strength and energy and a healthy appetite, and there's no apparent cause for the condition, take a good tonic. During warm weather one's system sometimes gets out of adjustment—some organs lag. All that is needed is something to stimulate it into natural, healthy action. Our Nerve and Blood Tonic is the remedy in such cases. It enriches the blood, tones the stomach, stimulates the liver and strengthens the nervous system. It will cause the return of your old, natural appetite and you'll enjoy your meals as well as ever. Often one bottle is all that's necessary to permanently restore normal conditions. Try it. If you are not satisfied your money will be refunded. Price, 75 cents.
